

ABOUT THE UNIVERSITY

Sri Venkateswara University, Tirupati, was established in the Year 1954, in the world famous temple town of Tirupati in the sprawling area of 1000 acres with a pleasant landscape and a nice hill view. The University stands as a testimony to the wisdom and foresight of great visionaries like Late Sri Tanguturi Prakasam Pantulu, the then Chief Minister of Andhra Pradesh and Late Sri Neelam Sanjiva Reddy, former president of India to cater to the educational needs and aspirations of the people of A.P in general and Rayalaseema area in particular. With a great vision, the founders of this University have rightly coined the motto "Wisdom lies in proper perspective". Right from its inception, the University has been laying more emphasis on teaching, research, consultation and extension activities in different subjects. The University has 53 departments, where in 72 different PG Courses and several Diploma and Certificate courses are being offered with a total sanctioned academic faculty strength of around 579 and 1500 non-teaching and a student strength of 5000, including research scholars.

ABOUT S.V.U. COLLEGE OF ENGINEERING(A)

Sri Venkateswara University College of Engineering was established in the year 1959, in the temple city of Tirupati, and has been a premier institute for higher education, research, extension and consultancy in the backward region of Rayalaseema. Since its inception, the college has been successfully maintaining and meeting national and international standards in higher education with eminent faculty serving the institution with dedication. The college has a glorious history in producing good quality students in all fields spreading throughout the world with reputed positions. At present the college is offering B.Tech programs in Chemical Engineering, Civil Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering and Computer Science Engineering and M.Tech programmes with ten specializations. Around 250 candidates were awarded Ph.D degrees and a good number of research works are in progress.

ABOUT DEPARTMENT

The Department of Civil Engineering was established in the year 1959, with B.Tech course in Civil Engineering with an intake of 40 Students. Subsequently M.Tech. Programme was introduced in the year 1971 with four specializations

viz. Environmental Engineering, Geotechnical Engineering, Hydraulics and Water Resources Engineering and Structural Engineering. So far 64 Ph.D's and 400 M.Tech Degrees were awarded by the department and numerous Ph.D works are in progress. Every year more than 60% of students of this department obtain M.Tech., admissions in I.I.Sc. and I.I.T.s in various Civil Engineering disciplines

ABOUT TIRUPATI

Tirupati is one of the famous pilgrimage centers in India which is located at the Lotus Feet of Lord Sri Venkateswara.

ABOUT THE CONFERENCE

Emerging Technologies have potential to transform the economic status of the Nation and help in sustainable development. In the history of developed nations, Emerging Technologies and Innovations have played a key role in various aspects of human advancement. These technologies have opened up challenging research interests of fields such as Environmental Protection, Global warming Bioremediation, Hazardous Solid Waste Management, Conservation of Energy, Water Resources Management, Air Pollution Control and Construction Management. The objective of the conference is to create a platform for exchange of information among researchers, academicians and experts from industry. The interaction is believed to open up new scope for exploring research ideas and advances in Civil Engineering.

TOPICS

Quality research papers are invited on the Emerging Technologies in the following areas :

- Structural Engineering
- Environmental Engineering
- Geotechnical Engineering
- Water Resources Engineering
- Transportation Engineering
- Green Building Technology

KEY DATES

Conference Dates : 22nd & 23rd, February, 2019
Dead line for Abstract Submission : 18-01-2019
Acceptance Date : 25-01-2019
Registration Date : Before 31-01-2019
Full Length Paper Submission : 10-02-2019

A TWO DAY NATIONAL CONFERENCE ON

"Emerging Technologies in Civil Engineering"

on

22nd and 23rd February, 2019

Under TEQIP-III-1.3

REGISTRATION FORM

Name :

Designation :

Organization :

Official Address :

Mobile/Telephone:

E-mail :

Place: Signature of the Participant.

Date :

Signature of Head of the Dept./
Head of the Institution with seal

Format For Submission

Submit Abstract with in 250 Words and Full Paper in 6 Pages in MS Word with 12 font Times New Roman in English and can be submitted to the mail id: etce2019@gmail.com

Who Can Register?

The Faculty, Practicing Engineers, Research Scholars, PG students and administrators who are interested in taking up research in Emerging Technology.

Registration fee:

Members from Industries : Rs.2000/-
Academicians and Faculty members : Rs.1500/-
Research Scholars & PG students : Rs. 750 /-

Mode of Payment:

DD or Cheque can be drafted in the favour of The Co-ordinator, ETCE - 2019, Andhra Bank, S.V.U College of Engineering Branch, Tirupati

The Registration fee includes Programme kit, working lunch and snacks on the days of Conference. The outside participants should make their own arrangement for accommodation, however with prior intimation accommodation would be arranged in University Guest house or Students' Hostel of S.V.University.

ADDRESS FOR CORRESPONDENCE

1. Prof. M. Srimurali,

Dept of Civil Engg, SVUCE, Tirupati.
Mobile No. : 9603078920.
Email : msrimurali@gmail.com

2. Dr. N. Munilakshmi, Assistant Professor

Dept of Civil Engg, SVUCE, Tirupati.
Mobile No. : 9866437937.
Email : nml.svuce@gmail.com

Chief Patron

Prof. G. Janaki Ramaiah,
Hon'ble I/C Vice-Chancellor
SRI VENKATESWARA UNIVERSITY, Tirupati

Patron

Prof. R.K. Anuradha, Registrar
SRI VENKATESWARA UNIVERSITY, Tirupati

Co-Patrons

1. **Prof. G.N. Pradeep Kumar**
Principal, SVUCE (A)
2. **Prof. K. Nagendra Prasad**
Vice-Principal, SVUCE (A)
3. **Prof. K. Mallikarjuna Rao**
Co ordinator, TEQIP 1.3, SVUCE (A)

Co-ordinators

1. **Prof. M. Srimurali,**
Dept of Civil Engg., SVUCE, Tirupati.
2. **Dr. N. Munilakshmi,**
Dept of Civil Engg., SVUCE, Tirupati.

Organizing Committee

1. Prof. J. Karthikeyan
2. Prof. P. Mallikarjuna
3. Prof. I.V. Ramana Reddy
4. Prof. D.V. Satyanarayana Murthy
5. Prof. Ch. Sudha Rani
6. Prof. D.V. Prasada Rao
7. Sri D. Sree Hari Rao
8. Smt. T. Hemalatha
9. Smt. S. Aruna Jyothy
10. Dr. B. Madhusudana Reddy

A TWO DAY NATIONAL CONFERENCE ON

"Emerging Technologies in Civil Engineering"

on
22nd and 23rd February, 2019
Under TEQIP-III-1.3

ORGANIZED BY
DEPARTMENT OF CIVIL ENGINEERING
S.V.U. COLLEGE OF ENGINEERING (A),
SRI VENKATESWARA UNIVERSITY
TIRUPATI - 517502
